

Gift tags

Here are three ways of making pretty gift tags.

What you will need

- ★ old Christmas cards
- ★ scissors
- ★ hole puncher
- ★ pieces of card
- ★ shaped stickers
- ★ glitter
- ★ felt-tip pen (for message)
- ★ for potato prints - see page 14

1 Cut up old Christmas cards. Choose parts with no writing on the back.

Use a hole puncher to punch a hole. Thread wool through the hole.

2 Cut small rectangles from card. Make a pattern with shaped stickers.

3 Cut small rectangles of card. Print shapes with potato cuttings. Look at pages 14 and 15 for how to do it.
